DEMON—WARRIOR—HERO!

A long time ago, between the age of the dinosaurs and the dawn of mankind, there existed the magical world of Etruria. A local monster named Firebrand from the Ghoulish Realm was busy training in the arts of the warrior. He is a young and powerful gargoyle - human in shape, yet he has leathery wings with massive claws on his hands and feet.

He studies at the Warrior's Training Center to use his combat talents in defense of the Ghoulish Realm. His time comes (sooner than he expected), as a mysterious black light appeared one day and drained the magic from the land.

GETTING STARTED

To begin, press the Start button. This gives you the options Start and Password. Begin a new game by pressing Start, or continue a previous one by selecting Password. Passwords are obtained by talking to people in different areas of the game. Don't forget to write all passwords down!
